

*Heavenly Father, You chose this Holy Land
to be the place where Your son Jesus, our Lord,
demonstrated Your love for Your people.
As these Christians in the Holy Land continue
to carry their crosses, may we be attentive as You
are to the cries of the poor. Now, more than ever,
give us the compassion to listen, to learn,
and to help our Christian family in need, especially
during this time of COVID which has decimated their
livelihood. Lord, they struggle with hunger,
with educating their families, protecting themselves
from civil unrest; continue to show Your mercy to
them through the generosity of Christians
around the world.*

*Our Lady, Help of Christians, pray for us.
And we ask this through Christ, Our Lord, Amen.*
