Dear Mdme Marienna Kosovich
/ Select To Give

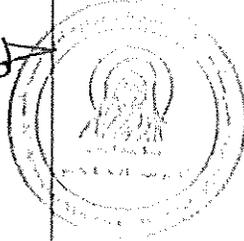

From Bethlehem, Mor Aphrem Christian School we send our sincere greetings and warmest wishes to you all, praying to The Lord to extend His blessings upon you and keep you safe and sound.

We write today to extend our gratitude for your continuous support for the very needy of our Christian students. Your grant helps the students at our school who are all members of the community in Bethlehem and Beit Jala to keep up with their education in a very healthy educational environment.

We have received the grant of 20,382 US\$ (twenty thousand three hundred eighty two US Dollars) on May 12th, 2024 and will be giving benefit to about 20 Christian students from different grades and stages and who are in dire need for support. And likewise, this grant gives some relief to the financial deficiency the school has been suffering from for about three continuous years.

Respectfully, thank you enormously for being saviors and givers of hope.

Dear Sirs,

We can't thank you enough for your generous donation of the \$12,000 (Twelve thousand American Dollars) which is really helpful for us right now specially during the war on Gaza which is still taking place for over 8 months now. This has affected all the people of Bethlehem here as most of the parents do not work because in Bethlehem economy mainly depends on tourism and as you know now all the hotels are closed and all the employees stay at home, while the majority also used to work in Jerusalem but unfortunately the routes are still closed between the west bank and the Israeli territories so actually most of the people are jobless these days and can't afford extra payments and the income is just for their daily bread so thanks to your donation I can accept the kids without payments till the war ends and also some children of special needs will be able to continue with their therapeutic sessions.

We really appreciate your help to these needy families to continue their sessions by financially participating in some of the total cost which gives them the ability to go on. These families are very grateful to you for helping them and they were very happy to feel your caring about the Christian children here in Bethlehem.

Thanks again and God Bless You always.

Regards and Best wishes.

Sr. Esther Salib
